

Two Powerful Partners One Complete Solution

User-friendly benefits administration designed by brokers. Hassle-free access to voluntary benefits from the number one company in voluntary insurance sales at the worksite.* A comprehensive, streamlined solution for your clients.

Through our integration partnership with EaseCentral, it's easier than ever to do business with Aflac. Your clients can access core case build capabilities and our voluntary insurance plans through real-time integration using application program interface (API) technology - *and so much more.*

Aflac + **EaseCentral** = **Simplified Benefits Administration**

Aflac

- Partner platforms efficiently add Aflac products to their case build through the Everwell integration
- Employees apply for products during the designated enrollment period seamlessly in Everwell via EaseCentral
- Voluntary insurance plans provide cost-effective solutions for employers and employees as part of your comprehensive client benefit strategies
- Product options available for accounts with as few as three lives provide coverage solutions across your book of business
- Enrollment communication support, featuring Aflac Certified Benefit Counselors, is available to help drive employee awareness, engagement and enrollment participation
- Strength and stability, reinforced by high brand recognition with employers and consumers, help promote better enrollment outcomes

EaseCentral

- State-of-the-art digital experience emphasizes ease-of-use, saves time and minimizes errors
- Dashboards, reports and tracking capabilities help enrollment process run smoothly and efficiently
- Integration capabilities make it easier to add new lines of coverage and/or leverage payroll providers and other human resources services
- Employee enrollment experience, including order of employee benefit selections, can be quickly and easily configured
- Robust forms library of more than 4,000 enrollment carrier forms helps alleviate human resources time and administrative burdens
- Free training and 24/7 support team delivers quick onboarding and continuous customer service
- EaseCentral Marketplace options feature additional services and integrations, such as payroll, electronic data interchange, time tracking and telemedicine to meet specific group needs
