

ease oscar

**Submit enrollments directly to Oscar Health
in Ease.**

A partnership to help you streamline the benefits administration process for Oscar Health plans.

Simple Setup

With the Ease Marketplace Setup Wizard and Oscar Health team, setting up this partnership only takes a few clicks.

Easy Submission

Employees enroll in Oscar Health plans in Ease. You can then submit enrollments to Oscar Health via Ease.

Fast ID Cards

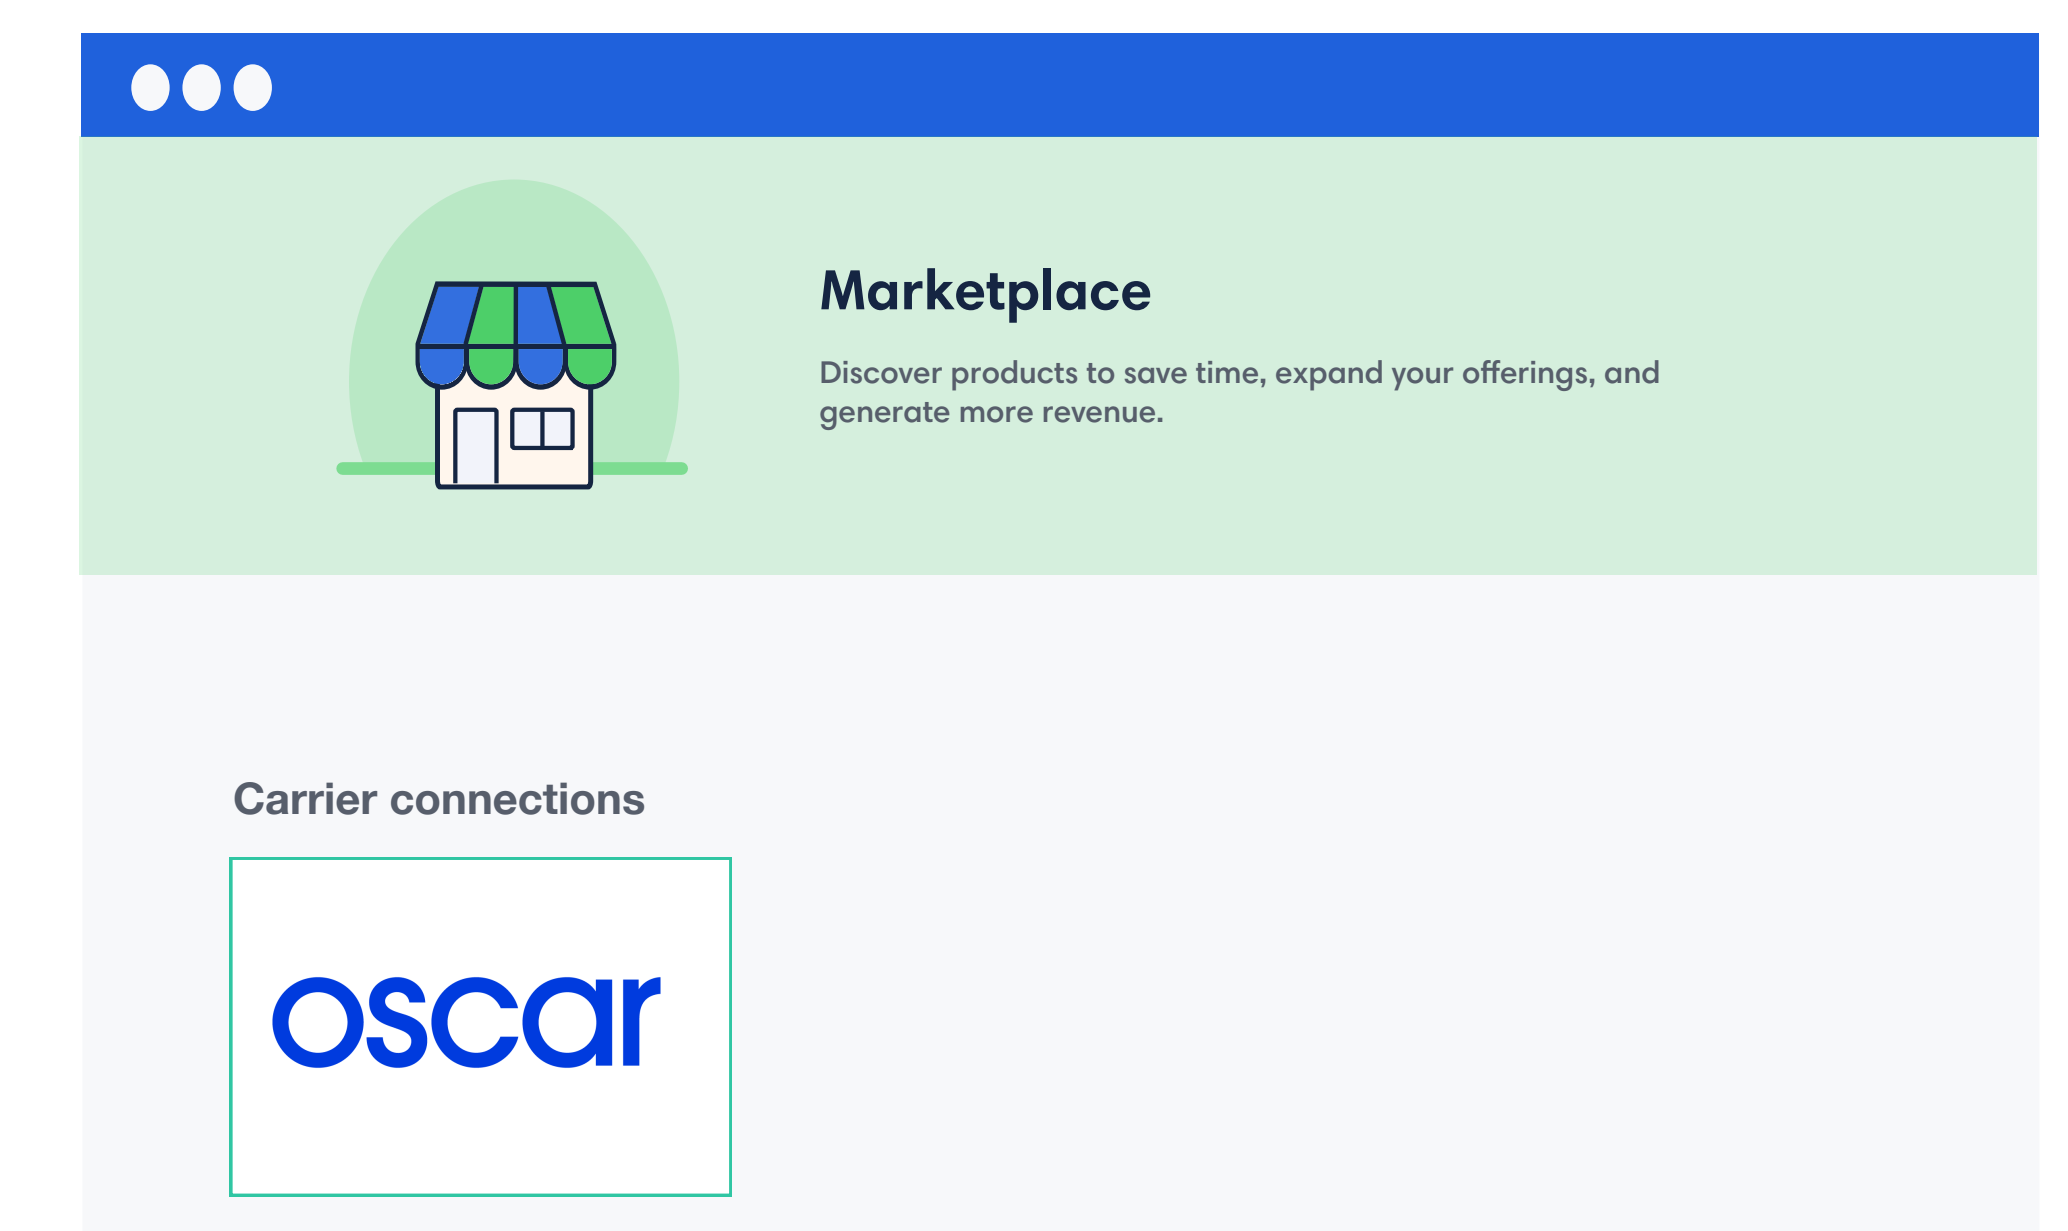

Because plans are submitted directly to Oscar Health, employees receive ID cards faster.

*Submission for Oscar Health plans via Ease is only available for new group, initial submissions.

How To Activate

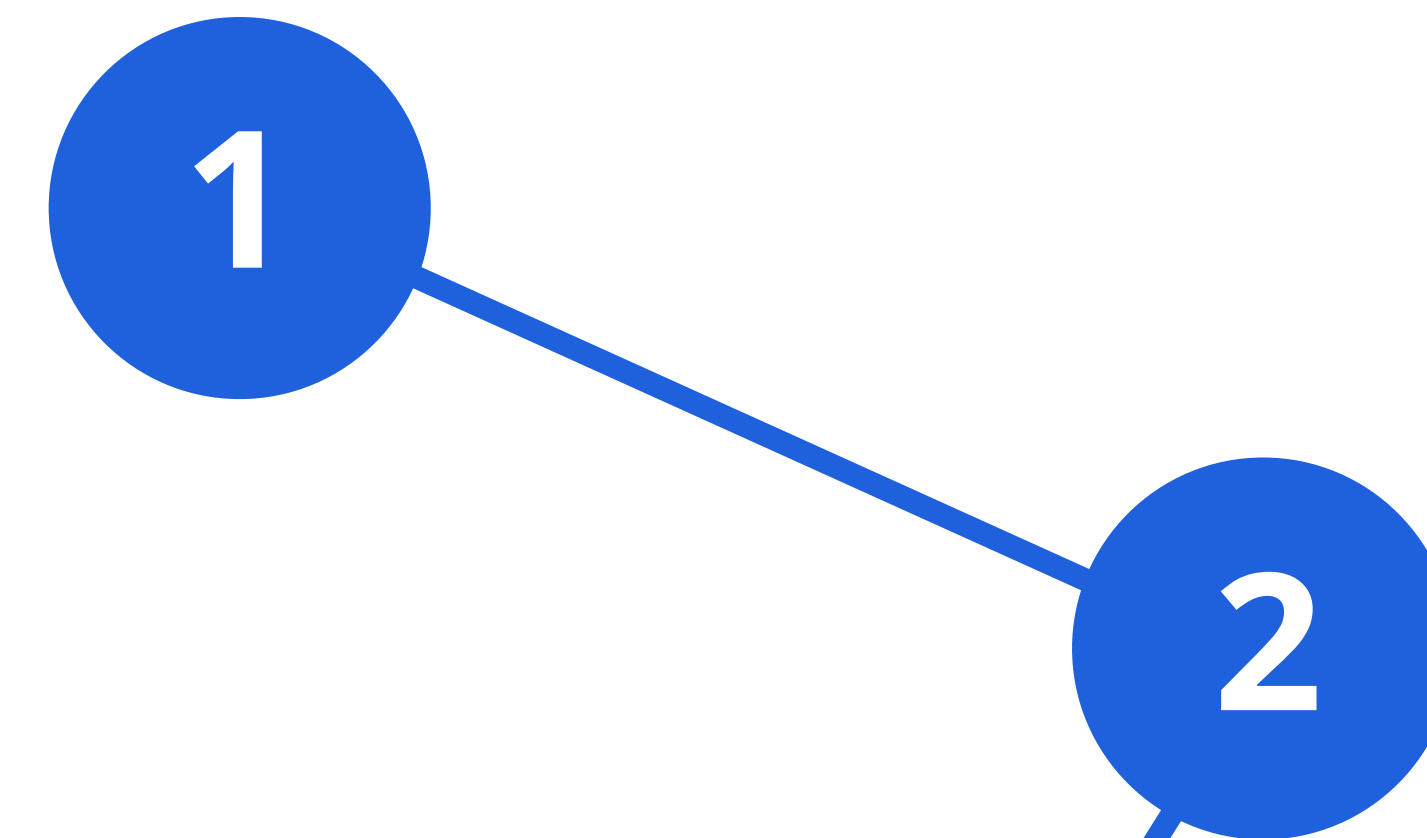

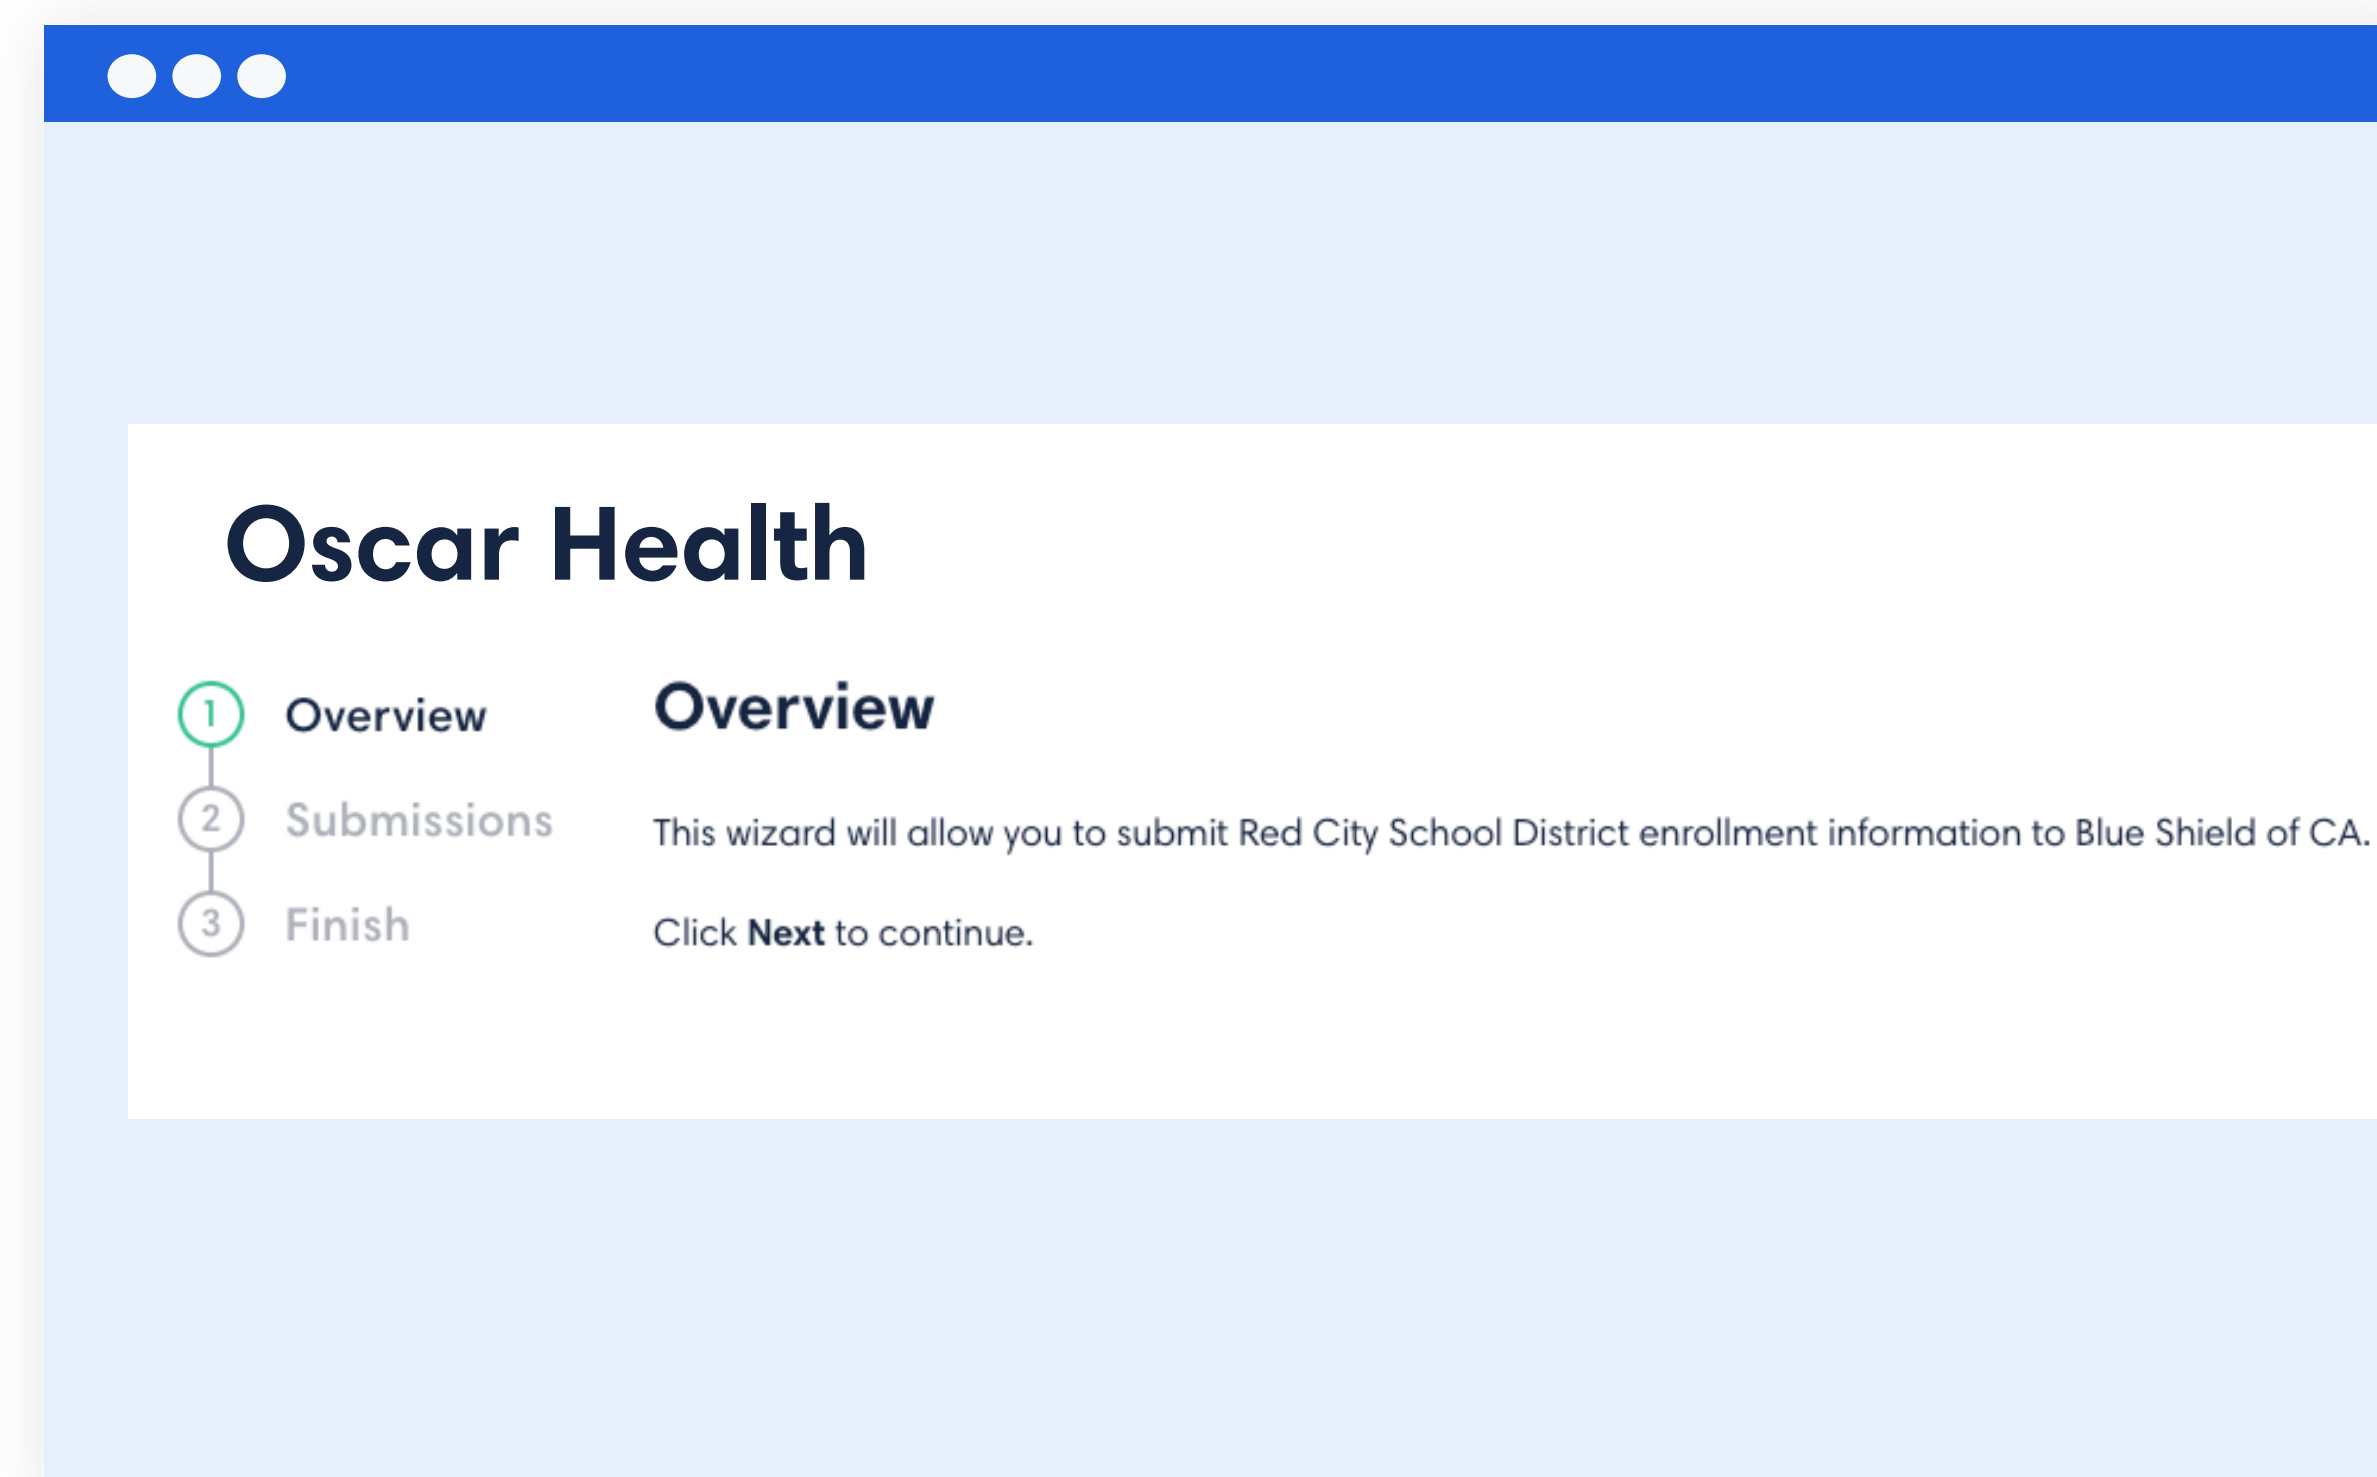

Enable

Enable Oscar Health in your Marketplace and the Marketplace for each group that will offer their plans.

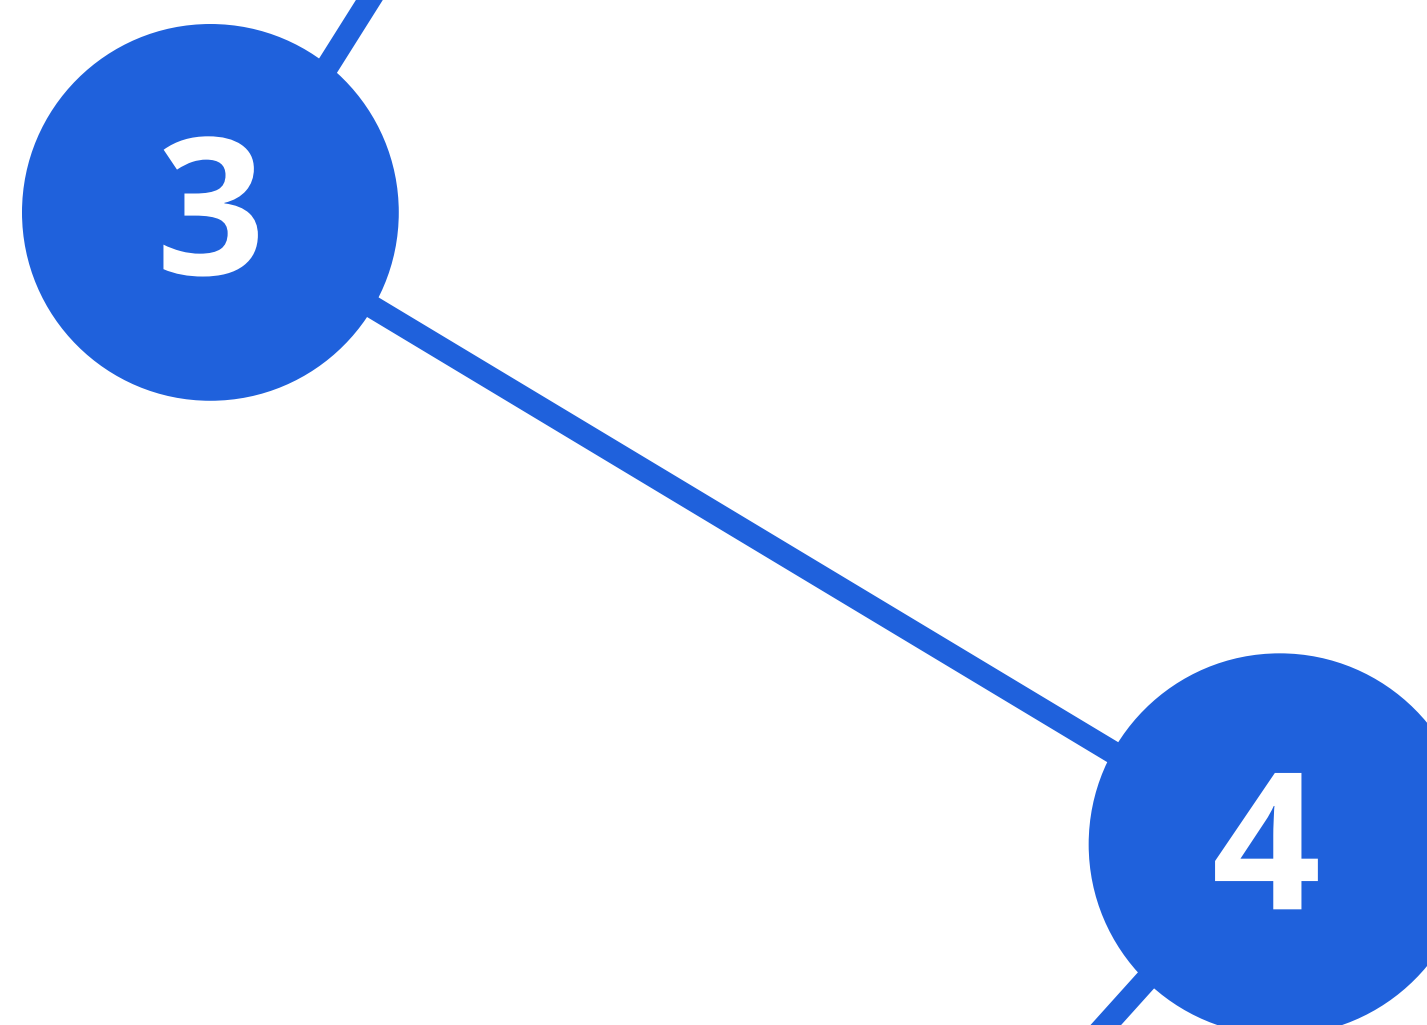

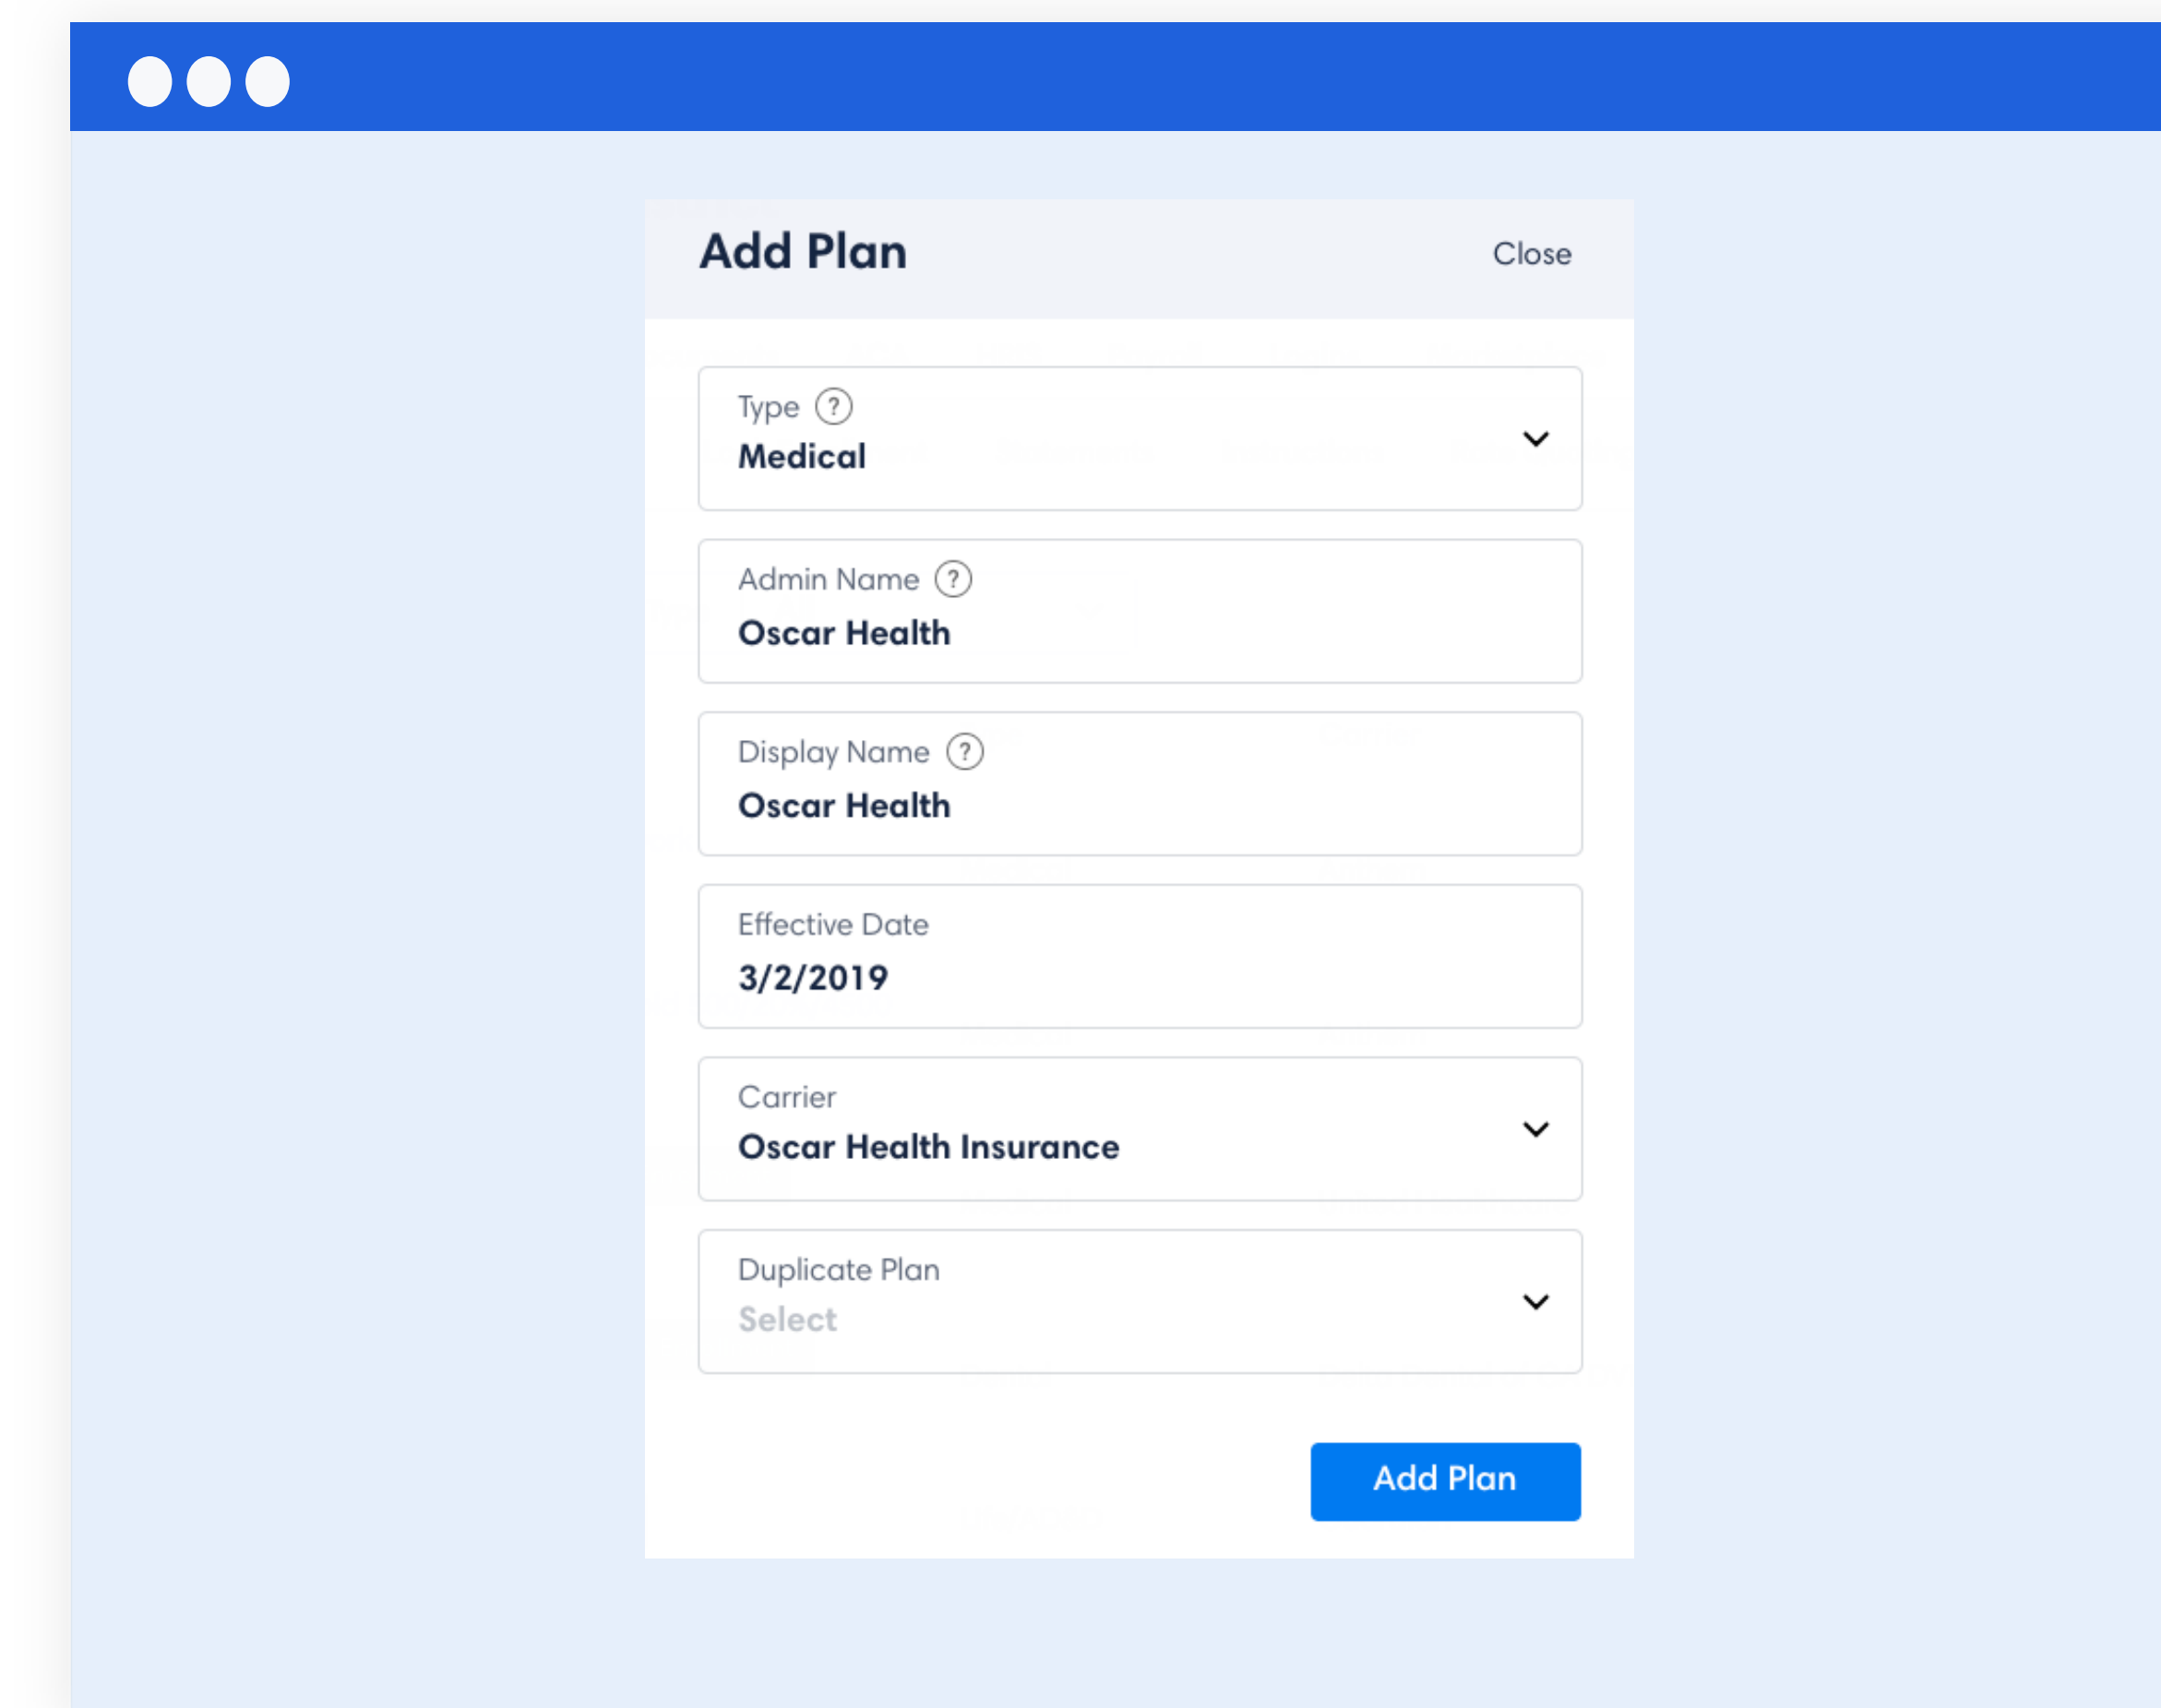

How It Works

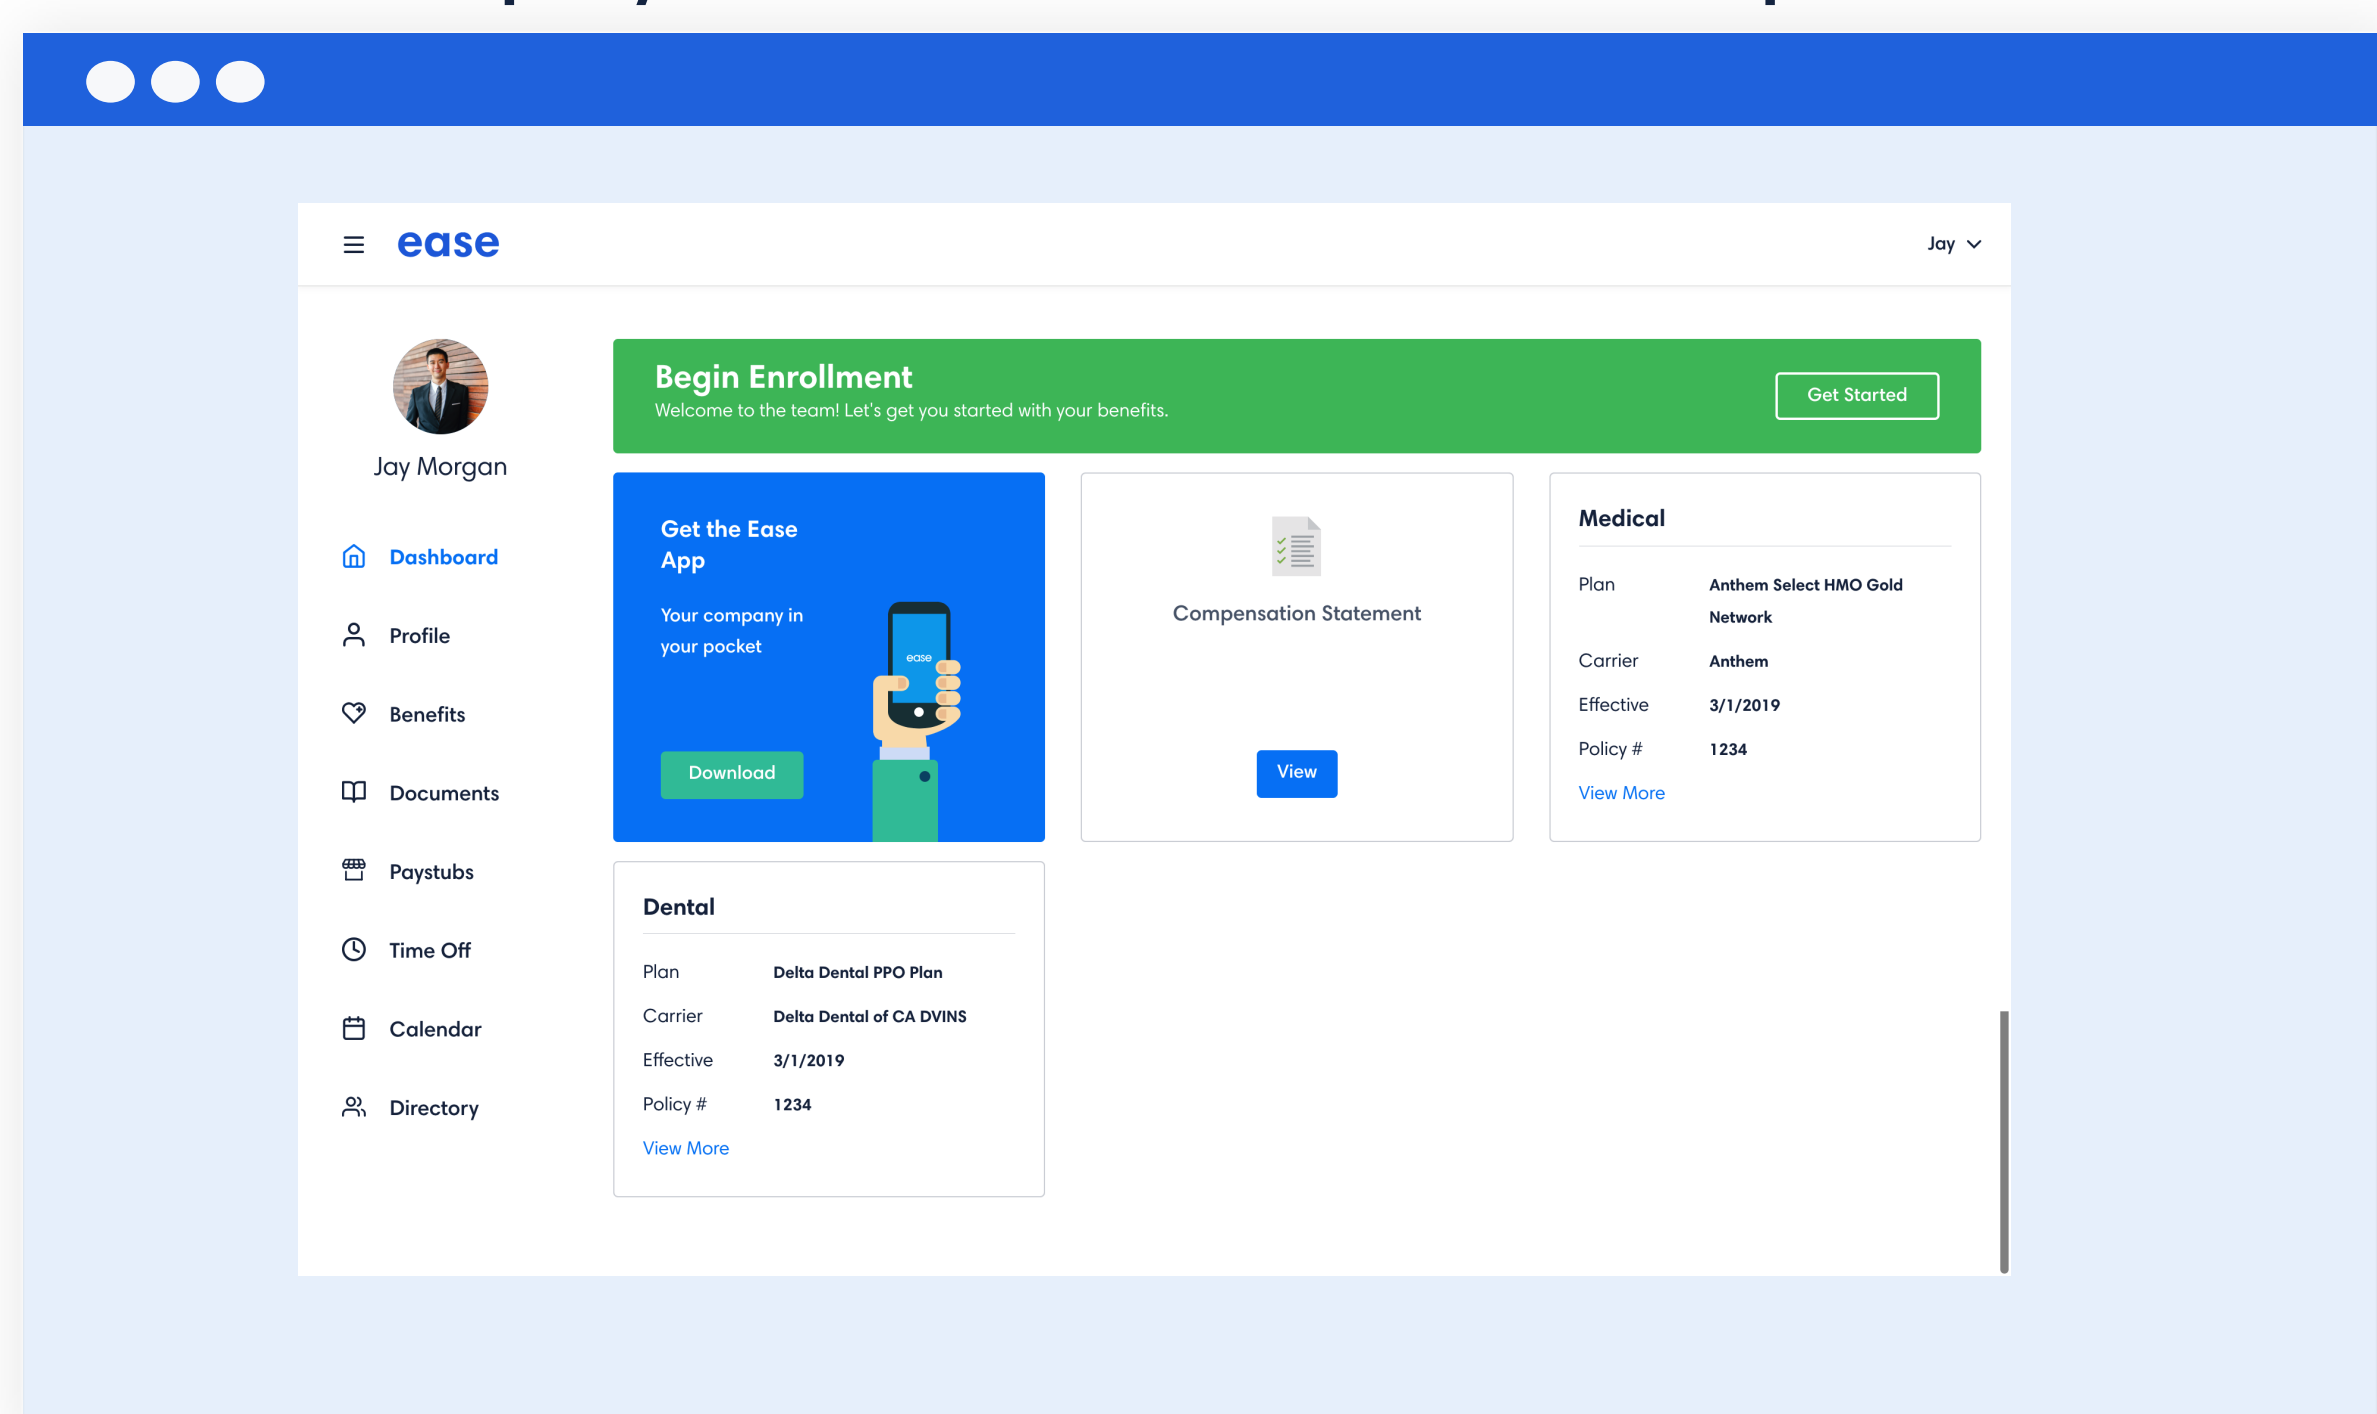

Enable Oscar Health in your Marketplace and in the Marketplace for each group who will offer their plans. Ease will notify you each time Oscar Health approves a group's direct submission request.

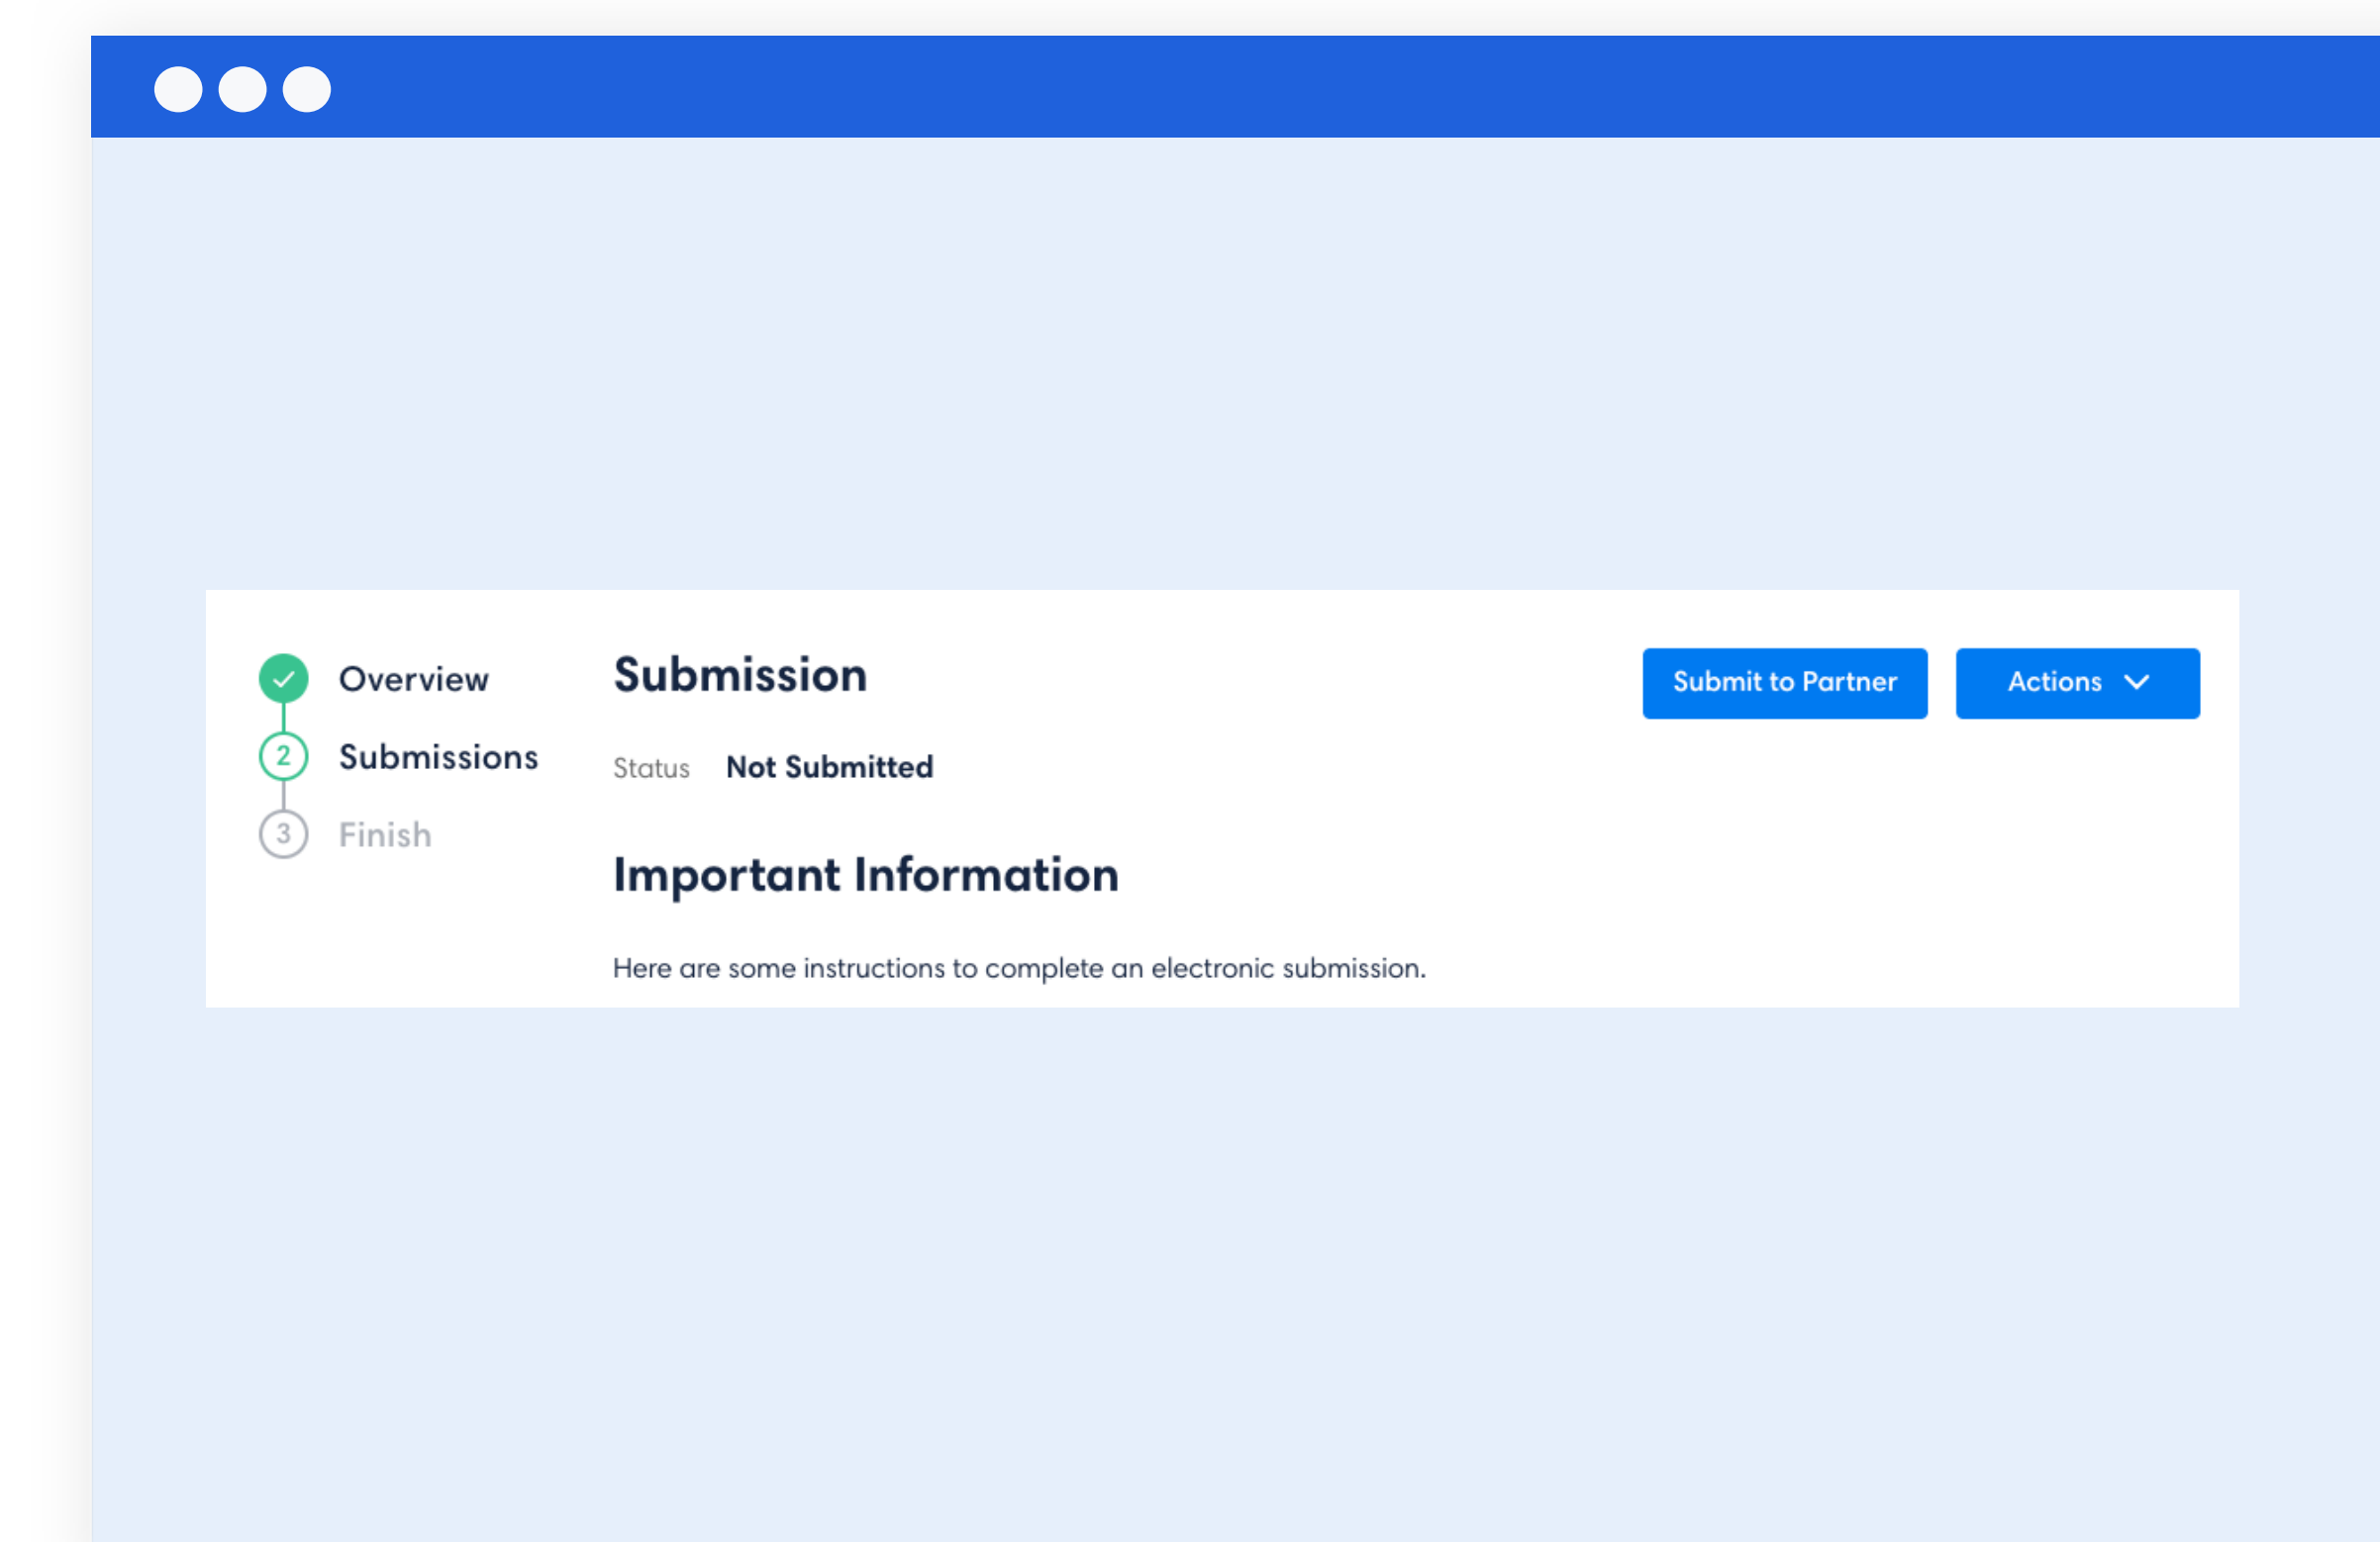

Visit the Benefits page of each group that will offer Oscar Health plans. Click "Actions" and then "Add Plan" to set up and configure the appropriate Oscar Health plans.

Employees enroll in Oscar Health plans via Ease.

Initiate the submission process for each group by accessing Oscar Health in their respective Marketplace. Click Add Submission to add the plans you intend to submit through Ease.

View the status of each group's submissions via the Company > Benefits > Partners tab.
