

Fact Sheet: Benefits Administration

Easy benefits election for you and your employees.

BENEFITS

- Eliminate paper forms, save time, reduce errors.
- Manage changes throughout the year.
- Say goodbye to incomplete fields by using a rules-based system.

FEATURES

- Employees can compare plans side-by-side and view cost per pay-period.
- Dashboards & reports to help HR admins stay up-to-date on enrollment progress.
- Employees only see plan options they are eligible for.
- Custom reports for initial binder check amounts, billing reconciliation, payroll deductions, and more.
- Free educational resources and access to a support team.
- Employees can view benefits summaries at any time with the Ease iOS mobile app.

Fact Sheet: Payroll Integrations

Payroll and benefits in sync

BENEFITS

- Ability to automate the benefit change process.
- One central, integrated system of record for payroll, benefits, online enrollment, and onboarding.
- Simple employee setup.

FEATURES

- Make open enrollment and benefit changes throughout the year.
- Automatically communicate any benefit changes to your payroll provider.
- Eliminate duplicate data entry. New employees set up with payroll providers will automatically flow to Ease or new employees set up in Ease will automatically flow to the payroll provider, depending on the partner.
- Use one of our robust integrations with ADP Workforce Now, TRAXPayroll, and Paylocity.
- Don't see your payroll provider in the list above? Ask your broker about our Payroll API.

Contact your broker or support@Ease.com to integrate your payroll with Ease.

Fact Sheet: EaseHR

The best way to manage company growth

BENEFITS

- One database to manage and administer HR associated tasks
- Syncs with all Ease software, including benefits, payroll integrations, and onboarding

FEATURES

- **PTO Policies:** Setup holidays and manage complex PTO policies. Employees can view hours remaining per policy, such as PTO, sick leave, and FMLA.
- **Time-Off Tracking:** Employees can request time-off and managers can approve those requests on the go.
- **Performance Reviews:** Custom performance reviews and performance review templates
- **Company Stats:** Visualized HR stats, including employee growth, company diversity, and organization charts.
- **Employee Events & Company Directory:** Colleagues can connect at any time with a repository of employee contact information. Managers can keep track of birthdays, and work anniversaries.
- **Ease iOS & Android Mobile App:** Access time-off tracking and your company directory from anywhere, at any time.
