

Hi there,

Creating a work environment where all of your employees are happy is no easy feat. With all of the work, we understand why it may be easier to elect the same benefits as the year before, but it's not always ideal. With a growing millennial and remote workforce, we propose that you refresh your benefits plan with telemedicine.

To help you learn more, we want to share an informational guide about telemedicine with you, titled "[Happy Employees Have Telemedicine](#)." This guide will provide you with an in-depth look into telemedicine and how you can use it to your advantage. We'll cover all of the benefits it provides like reducing health costs and increasing employee satisfaction.
