

Mobile App Email for Employers with HRIS

Subject: Benefits and Time Off with this Mobile App

Your employees can now securely review their benefits and HR information on the go with the EaseCentral iOS mobile app. With the app, employees can quickly view a summary of their benefits, request time off, view their company directory, and more.

- **Benefits:** Sometimes, life makes it difficult to prepare for a trip to the doctor's office. Employees can quickly view a summary of their benefits, read plan information, and access policy numbers from any location.
- **Time Off:** Employees can review their available time off, request time off, and see upcoming time off in a calendar view.
- **Calendar:** Employees can plan ahead with a full calendar view that includes upcoming national holidays.
- **Directory:** Connect with coworkers from anywhere. Employees can access colleagues' photos, email addresses, and phone numbers.
