

## **Synergy Enrollment & Benefits**

Is an enrollment firm dedicated to creating partnerships to enhance the enrollment experience for brokers and their clients. By utilizing a consultative approach we tie together benefits communication, technology and ancillary benefits to improve the enrollment process. These solutions are designed to increase both client satisfaction and brokerage revenue.

### **Benefits Communication**

Professional bilingual benefit counselors trained in all areas of insurance.

Capabilities for face-to-face, telephonic, and web-based enrollments.

Ability to enroll small, mid and large employer groups.
