

## VOLUNTARY BENEFIT ADVISORS

**Voluntary Benefit Advisors is a full service enrollment firm and Voluntary Benefits Brokerage. We handle everything from voluntary benefits analysis to enrollment fulfillment.**

### TOP 3 REASONS WHY EMPLOYERS AND BROKERS CHOOSE VBA

#### 1. Reputation

VBA has high standards of service and project management to ensure smooth implementation

#### 2. Benefit Counselors

VBA Benefit Counselors are part of VBA and NOT part of a large list of enrollers that we do not know and trust

#### 3. Flexibility

VBA looks at every clients specific needs and situation to develop an implementation strategy that accommodates the goals and objectives for a winning enrollment execution plan

### Here's how VBA can help you!

#### **Enrollment Capabilities**

Face to Face Enrollment or Call Center– Based on the logistics, employee count, locations and other variables, VBA will draft an enrollment schedule that accommodates all employees.

#### **Implementation Process**

VBA will run point on implementation of Enrollment. We will create an implantation timeline to keep everyone on track. Create call agendas, draft enrollment schedules, offer online scheduling tools, and assist with pre-enrollment communication to employees.

#### **Enrollment Technology**

VBA is platform agnostic, meaning, we can enroll on any existing ben admin platform OR we can build out an enrollment platform to capture all benefit elections electronically.

#### **Enrollment Team**

By design, VBA has chosen to grow our enrollment counselor base from within. Our counselors are crossed trained on multiple carriers, enrollment platforms and core benefits. We will always hold a case level training with counselors to familiarize them with the client at hand.

#### **Carrier Reconciliation**

VBA will do a first bill audit for all voluntary benefits to ensure that deductions and invoice are accurate from the start.

#### **Ongoing Service**

VBA is a full service agency offering an in house bi-lingual claims team and service team for all clients and policyholders.
