

Ease & Guardian® Connection Overview

Ease and Guardian are partnering to make it easier to offer and manage dental, vision, and worksite insurance plans with EaseConnect+.

Direct Submission

Submit and send required enrollment data to Guardian via Ease. Changes can be made in Ease, and any adds, changes, and terminations will be automatically sent to Guardian.

Simple Setup

As an EaseConnect+ connection, Ease will manage the entire setup of this connection for you and your groups.

Submission Feedback

You will receive email alerts directly from Ease to notify you when submissions are approved or denied by Guardian. If your submission is denied, you'll be able to find the errors you need to correct inside Ease.
