Get appointed

We're using technology to make it easy for you to sell Oscar plans and service clients.

Thanks to your broker account and growing set of tools, you'll also be able to see our commission schedule, download materials, answer common FAQs and more!

Getting appointed with Oscar is easy! All you'll need to do is create an account and complete our 5 minute Appointment Application on hioscar.com/brokers.

Our plans and network

We're an EPO built around high-quality, nationally ranked doctors. And we've already partnered with more than half of the top 20 U.S. health systems.

EPO plans combine the flexibility of a PPO with the cost savings of an HMO. With this plan type, you don't need to see a primary care doctor or obtain referrals before getting care.
